Hold a current first aid certificate (Red Cross Comprehensive or St John's Workplace). This first aid certificate must be current at the time the programme starts. Provide a completed medical declaration and/or evidence of a current health certificate indicating ability to practice safely from a registered health practitioner. Each applicant will be required to submit a New Zealand Police Consent to Disclosure of Information form with their application, which will be sent to the Police Licensing and Vetting Service if the applicant is accepted into the programme. This is returned in confidence to the Academic and Relationship Leader. Information on the New Zealand Vetting Service is available from their website. Provide two testimonials and/or character references attesting to the candidate's suitability for working in Health Care. Be prepared to attend an interview if requested by the institution. Provide a confidential report from the institution where a candidate is applying to transfer to another institution. Relevant evidence of health screening to meet various Health Authority and Institutional requirements. MRSA clearance is required by most clinical practice areas.	6.5	6.5	79	21	58	50	NZ\$ 14,300.00
