8	University of South Australia	Master of Clinical Pharmacy	https://study.unisa.edu.au/degrees/master-of-clinical-pharmacy	North Terrace	Australia	Postgraduate	18 Months	Feb, Jul	Have a Bachelor of Pharmacy degree or equivalent; be a Registered Pharmacist with the Pharmacy Board of Australia OR for permanent residents not practising as a registered pharmacist in Australia, be a Registered Pharmacist in their current country of residence; and have experience in a direct patient care environment. IELTS 7.0 with no band less than 7.0. Note: International applicants are advised that this program is only available externally/on-line in the student's home country, but requires attendance at compulsory workshops held in Adelaide or Singapore (depending on numbers). Applicants MUST contact the Program Director for information on the requirements of the program prior to submitting an application. International applicants wishing to study this program externally/on-line in their home country, must meet all entry requirements, including the English Language Requirements, and must provide proof of experience in a patient care environment. International students should note that the program aims to produce clinical pharmacists capable of providing specialist pharmaceutical services in hospitals and other clinical environments, thereby enhancing the quality use of medicines. The program builds on skills of practice developed as an undergraduate student and is therefore not a pathway to registration as a pharmacist in Australia.	7	7	94	22	65	65	0.0	AU\$ 37100.00
9	Charles Darwin University	Master of Pharmacy	https://www.cdu.edu.au/study/course/master-pharmacy-spha01	Casuarina campus	Australia	Postgraduate	24 Months	Feb	Successful completion of a recognised bachelor degree or equivalent international qualification in any discipline with at least a GPA of 4.00; Section 1: 55%; Section 2 & Section 3: 60%; IELTS overall score of 6.5 with no band less than 6.0. Successful completion of one of the following: a recognised bachelor degree or a graduate diploma or masters degree in a related area; or a recognised bachelor degree plus an honours or a graduate diploma or masters degree in a non-related area. Related areas include: public health, health science, primary health care, medicine, social science or health promotion. Applicants who have completed Charles Darwin University's Graduate Certificate of Infectious Disease Prevention and Control (UIDPC1) or Graduate Certificate of Epidemiology (UEPID1) are also eligible for entry.	6.5	6	79	21	58	50		AU\$ 29520.00
