*****Important Information*****

- We will need evidence of financial capacity of applicant's and/or their parents eg. fixed deposits, savings (last 3 months) or bank loan for overseas studies.
- Please note that Applicant's Parents and/or Applicant must show more than 50% of the total required funds.
- All Financial Sponsors (including Parents and/or other relatives) must provide relationship proof to the applicant. (only Government ID proofs will be accepted.)
- All Financial Sponsors must provide notarised affidavit of statement of financial support to the applicant.
- If there are any large deposits made in the last 3 months in any (provided) bank accounts, we will also need the source of this income/deposit.
- Employer Sponsored applicants must provide evidence of genuine access to funds:
 - Proposed course of study should be consistent with their current role with the sponsoring employer, and
 - demonstrate a genuine need within this business for the applicant to study the proposed course and how this course will meet this need; and
 - more than enough financial capacity for the employer to sustain their business as well as sponsor the applicant.
- All documents provided must be recent and attested true copy by the agent.

*****Important Information*****

- Proof of annual income must include a minimum of last 2 years of annual income statement from employer and a maximum of last 3 years.
- Annual Income statements should accompany with Local Government Tax Lodgement statements.
