	The UK national agency for international qualifications and skills				
	Following the UK's departure from the European Union, the UK NARIC recognition agency function has to change from a NARIC (which is an EU-only title) to an ENIC (the wider European title for national recognition agencies) in order to meet the UK's continuing treaty obligations under the Lisbon Recognition Convention. Therefore, on 1 March 2021, the UK NARIC agency title becomes UK ENIC, operated and managed by Ecctis Limited.				
	If you are a UK NARIC member organisation, or an individual applying for a qualification statement, don't worry about this change of name - you won't notice any change in our service levels or in our help teams. Our support for you will remain excellent.				ľ

	Statement Of Comparability A general purpose statement of qualification comparability					
	This service is for you if you need to evidence the level of your overseas qualification for employment, study, professional registration or another reason.					1
	If you need to evidence the level of your degree and your English language proficiency for the UK Home Office, you may need to use the specialist Home Office-focused services, the Visas and Nationality services.					
	If you need a comparison of a qualification and are wishing to work in construction, plumbing, electrical or the land-based sector only, including Primary Source Verification, for the purpose of applying for a CSCS card, JIB-PMES card, an ECS card, SKILLCard or LISS card, you will need to use one of our Industry Skills Statement services,					
	The Statement of Comparability service is able to evaluate part-completed school qualifications. This may help people arriving in the UK from overseas who want their children to access A-levels.					
	High school qualifications in the UK (GCSE) are commonly required by employers and study institutions. Please include your high school and senior high school qualifications if you need GCSE comparisons to be considered.

	 Before you start your application - check which service you require by using our interactive guide. Please read the information pages on our website carefully. We only recommend starting the application when you have all the required documents, otherwise your application will likely be delayed. You should check the service page on our website for specific documents that are required for us to complete the service, to avoid delays. You will see details of the fees, timescales, and requirements for each service shown on our website. Please consider how urgent your application is. If you need a priority service - you should consider our Fast Track service (this is for processing your application more quickly but excludes delivery). Fast Track is not available for all of our services. You should also review the delivery options, and any potential delays due to Covid restrictions, or your local postal/delivery service. When ready, go to "start your application" to begin the online application process. This should be made by the qualification holder only, as per our terms and conditions. Once you submit the application, having accepted our terms, please allow the timescales shown on our website for us to review your documents. If you order a Fast Track option, we will review these as a priority. If further documents are needed, the time to complete your application will be extended and your application will be submitted back with a queue. Updates to your application will show in the "order status" section of your account. You should also check the messages facility for any additional updates. Please use the message facility in your account to contact us regarding any queries you have. Please allow up to 5 working days for us to respond. If you apply for a Fast Track service, we will prioritise your message.
