

Dear [REDACTED],

Thank you for submitting your application for exemption.

Your application reference is 2 [REDACTED]

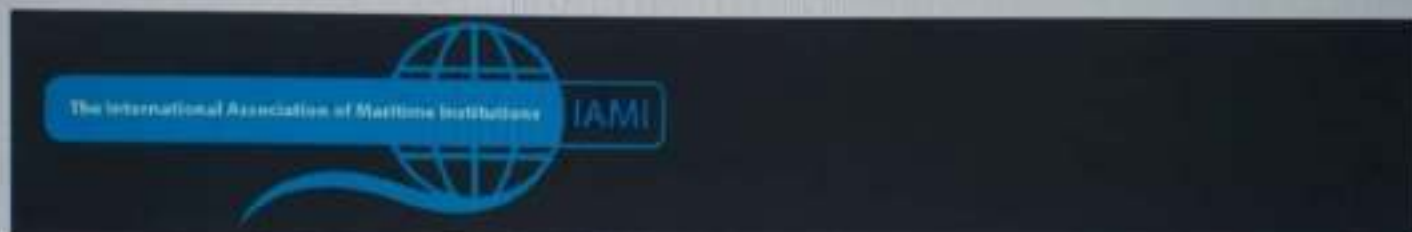

Once we have processed your application form, we will contact you and ask you to send us a **clear scanned copy** of the following documents that have been **signed and dated by a notary**::

1. All original qualification certificates, authenticated by authorised notary, from which you are claiming MCA course or examination exemptions
2. For non-EU applications, a scanned copy of a notarised UK NARIC statement of comparability confirming the UK equivalent level of their qualification
3. The original transcript, authenticated by authorised notary, showing grading or full marks for each qualification
4. The full syllabus for only those sections of your qualification from which you are claiming exemptions
5. Your current passport personal details page and front cover, to confirm your name matches the name on your qualification

Regards,
