Dear Mohammad Rizwan

Congratulations you have been conditionally accepted to study on the Diploma in Foreign going Master or Chief (Level 7) Marine Engineer Class 2 programme at Manukau Institute of Technology as per your offer of place. Please send your results as soon as possible.

You are expected to attend your course from the first day. Under Exceptional circumstances you may be able to commence the programme up to 2 weeks after the course start date; however, you must obtain written approval from the International Student Administration Section prior to the start date of your course. **If you do not obtain written approval and arrive late, you may not be eligible to enrol at MIT and your offer may be deferred to a later date.**

INTERNATIONAL STUDENT ORIENTATION It is **compulsory** for all new international students to attend the 1 day of orientation. Your attendance will be recorded.

Orientation is held one week prior to the programme start date. Full details will be on the unconditional offer.

Orientation will include an introduction to Manukau Institute of Technology, enrolment and registration and course finalisation.

In **exceptional circumstances** where you may be unable to attend orientation e.g. flight delay; on your arrival at Manukau Institute of Technology, please go to the International Centre, Level 2, Manukau Campus. Hours are Monday to Friday 8am to 4pm, Wednesday 10am to 4pm.

PART TIME WORK DURING STUDY You may be eligible to work part-time (up to 20 hours per week) during your studies. This work can only supplement your living expenses. Please note only students on programmes Level 5 and above are eligible to work during study.

PLEASE NOTE: Your eligibility to work part time will ALWAYS be specified in the terms of your Student Visa.

INSURANCE Please read and complete the enclosed form. If you arrange your own insurance and not provided proof of your current insurance policy to the International office within 5 days from your programme start date, we will be insured with Unicare and you will be liable for any charges that are incurred.

LIVING EXPENSES IN NZ You need to budget from \$200 – \$250 per week to live and study in NZ. This should cover your accommodation, food and other living expenses. Text books for study can cost up to \$500 per year. Living expenses for a full year's study is approximately **NZ\$15,000.00**.

ACCOMMODATION: Manukau Institute of Technology guarantees accommodation for international students in Homestay.

HOMESTAY:

Unnotified missed flight or change of flight	\$110.00
Placement fees	
Arrangement	*\$300.00
Urgent Arrangement	*\$400.00
Transfer from Auckland International Airport to Homestay	\$100.00
Weekly Fees	
Homestay (Manukau)	\$283.00
Homestay (Central Auckland)	\$325.00
Lunches Monday to Friday - weekly fee in addition to the Weekly Fees above	\$40.00
Weekly retainer fee all age groups	\$150.00

* Non refundable

- ❖ Minimum stay in Homestay: 4 weeks
- ❖ Meals: 16 meals per week (breakfast and dinner Monday to Friday and all meals on weekends)
- ❖ Bedroom: students will have their own bedroom, desk and lamp and clothes storage.
- ❖ Urgent arrangement: Applications received less than 2 weeks before arrival date. This fee is not in addition to the standard fee, but replaces it.
- ❖ Unnotified missed or changed flight: If Students have chosen to be met by VCI and change or miss their flight they must inform VCI immediately. If they do so, they are not charged this fee.
- ❖ The weekly retainer fee is paid instead of the standard weekly fee, when a student is away for 2 weeks or more and wishes to leave the bedroom set up with their belongings.
- ❖ All extensions to Homestay are made directly with VC International.

If you wish to make other accommodation arrangements, you must notify MIT of the name of the people and the address you will be staying at. (Please complete the accommodation form A, B, C, G and H)

STUDENT VILLAGE: Please note that the Student Village is closing permanently on 29 November 2020.

We must have a minimum of 2 weeks' notice of your flight arrival.

COURSE DETAILS: The Diploma in Foreign going Master or Chief (Level 7) Marine Engineer Class 2 begins on 01/02/2021 and the minimum length of study is 1 Year.

Condition(s) to be met: Academic IELTS 6.0 (with no bands below 5.5) or equivalent

This Offer of Place is for the course of study only and does not guarantee eligibility to obtain a Certificate of Competency from Maritime New Zealand. This must be applied for separately to Maritime New Zealand. **The Sea-time requirement for a Certificate of Competency is the responsibility of the student to arrange.**

Please note that if you enroll into additional Ancillary courses there will be an additional charge added to the quoted tuition fees.

TUITION FEES:

Diploma in Foreign going Master or Chief (Level 7) Marine Engineer Class 2	NZ\$ 22400 (2021 fee only)
---	-----------------------------------

WITHDRAWAL FROM COURSE

Please refer to the enclosed International Cancellations, Withdrawals, Transfers and Refund Policy.

Please contact us immediately if you are considering withdrawing before the start of the course. Please either,

Fax – (00649) 968 8741
Telephone – (00649)9688742
Email- international.application@manukau.ac.nz
Post – International Centre, Private Bag 94006, Auckland 2241
Facebook – www.facebook.com/manukau.international

PRACTICAL EXPERIENCE You may apply for a variation of condition to your permit, to enable you to work in order to fulfil the requirement of practical experience for your programme.

Please note that this only applies to programmes that requires practical as part of the course and that you can only work in a job related to your programme of study.

CROSS CREDITS If you wish to get cross credits based on qualifications gained elsewhere, you should gather as much information about those qualifications BEFORE leaving for New Zealand.

*Please note that there is an additional cost to apply for cross credits, prices may vary depending on the Faculty.

Applying for cross credits can only be done once you arrive in New Zealand so it is important that you bring all your documents with you.

PLEASE NOTE:

1. It is recommended that your qualification is assessed by NZQA. This assessment tells us (MIT) what level the qualification is and informs us as to what level any cross credits will be. To start this process go to <http://nzqa.govt.nz/for-international/international/index.html> The *guide* to this process is at <http://nzqa.govt.nz/for-international/docs/guide-qar.pdf>
2. You need to bring certified copies of your academic transcripts showing your record of study.
3. You need to bring copies of all the relevant course descriptors you will be using to confirm cross credit eligibility.

Note that these course descriptors will need to show the course's learning outcomes, not just the content. We must be able to see what you will be able to do on passing the course.

If you have any queries regarding this letter, please contact Kerry in the International Centre ph + 64 9 9688742

Yours sincerely

International Admissions
