Dear xxx

Outcome of your pre-assessment application

Thank you for submitting your application for a pre-assessment, in preparation to obtain a New Zealand **Chief Mate**.

Maritime New Zealand has assessed the sea service you provided against the requirements of this certificate. It has been determined that the sea service outlined below is acceptable to meet the requirement of **12 months' sea service on a ship greater than 500GT operating outside of restricted limits and in the capacity of an Officer of the Watch** for this certificate.

- **MIAMI PRIDE** 38 DAYS
- **SMART FLORA** 173 DAYS
- **PACIFIC VOYAGER** 166 DAYS
- **SILVER STAR** 78 DAYS
- **KHALEJIA ANA 3** 127 DAYS

Please be advised that although you currently meet this requirement, when you make an application for the **Chief Mate** certificate, your sea service must remain within the 10 year period preceding the date of that application. Please include a copy of this letter when you make your application.
