Medical and travel insurance

The New Zealand Ministry of Education, through the Code of Practice for the Pastoral Care of International Students, requires that all International Students must have appropriate medical and travel insurance for the duration of their planned study in New Zealand. For more information please visit minedu.govt.nz.

NMIT will automatically arrange insurance coverage for all students. Students can choose their own insurance company, however it must comply with the minimum standards required by the Code of Practice for the Pastoral Care of International students. If you arrange your own insurance cover, you must supply your Certificate of Insurance and Schedule of Cover, in English, to the Information and Enrolment Centre. Once the insurance policy is evaluated and confirmed as meeting the minimum standards required by the Code of Practice for Pastoral Care the policy taken out by NMIT on behalf of the student will be cancelled with the fees refunded to the student. Please be aware that if you do not provide a satisfactory insurance policy, you will be required to take out a default policy prior to commencing the study programme.

NMIT has arrangements with Marsh Ltd (in association with Vero) a New Zealand based provider who has specific policies for International Students. The policy is called Studentsafe. More information about Studentsafe can be found by following this link on the NMIT website at nmit.ac.nz/international/helpfuladvice. Once we receive payment of the insurance fee, your insurance will be arranged. The commencement date of your policy will be set to the date you depart for New Zealand.
