Dear Mr Thomas Chethiyil

#### Decision on your pre-assessment application

Thank you for submitting your application for Seafarer certificate pre-assessment, in preparation to obtain a New Zealand Marine Engineer Class 3.

Maritime New Zealand has assessed your sea service against the requirements of this certificate. After reviewing the evidence of sea service you submitted, we advise that your sea service of 38 months on the following vessels: MT White Fang, MV Sam Panther, MV Sam Dragon and MV Hyundai Tokyo **is acceptable** in support of an application for an New Zealand Marine Engineer Class 3.

Please note that this pre-assessment is for obtaining the New Zealand Marine Engineer Class 3 only and is valid for 24 months from the date of this letter.

Please quote your pre-assessment reference number when you apply for the X Certificate. Your pre-assessment reference number is **SEA 1198**

If you have any further queries about Seafarer certification, please contact us via the email address below, or call us on 0508 SEACERT (0508 732 237).

Yours sincerely
